Patricia McCorquodale, AKA The Crocodile, is your boss. She founded the Moving Target Estate Agency with her husband Peter, and they ran it together for seven years before she devoured him alive. Well, that's never been proven, but it's the predominant belief around the office.

"Cup of tea?" she asks, appraising you with hooded eyes. This is a trap. When The Crocodile offers people tea, she is assessing them.

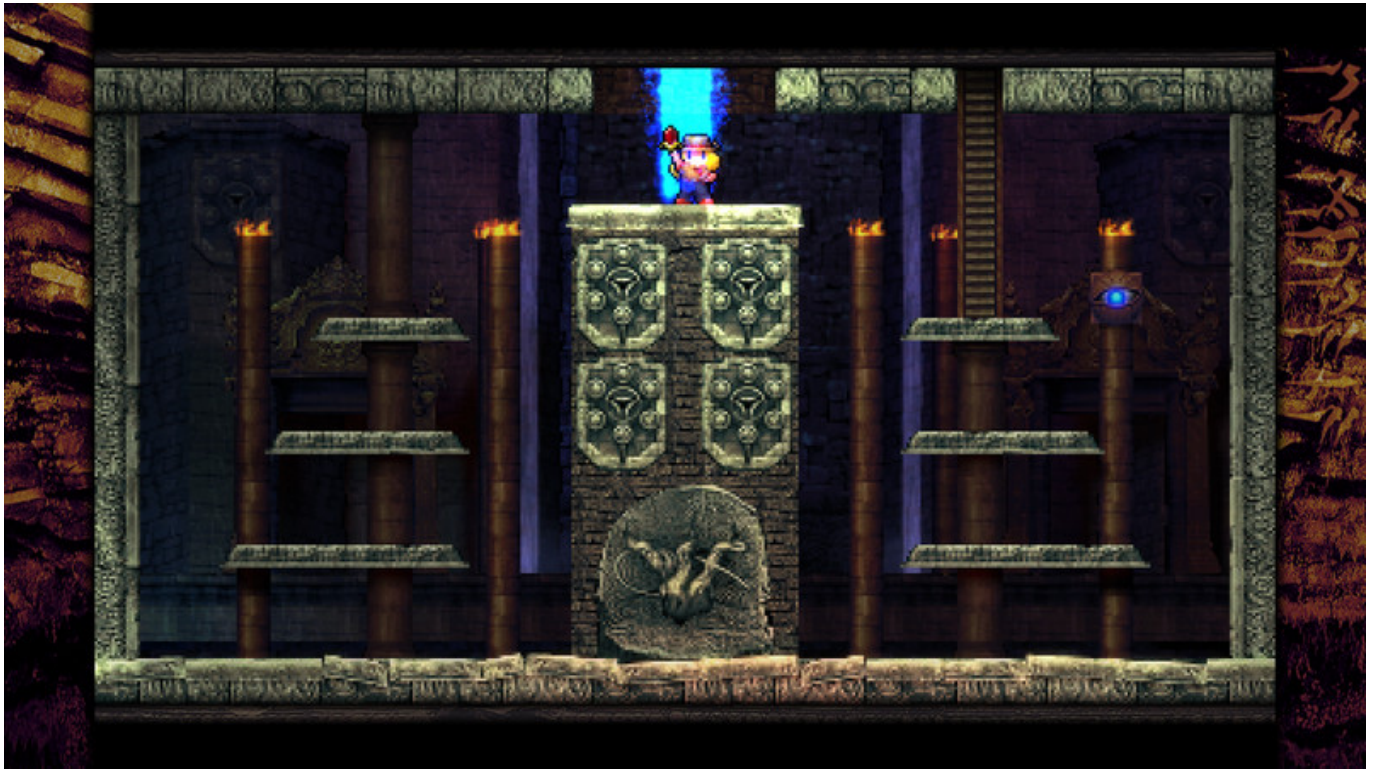

Accept a cup, but only pretend to drink it.

Take a chance and drink it with gusto.

Refuse politely.
